High School Senior Student Counselors
Midland High, Lee High, and Greenwood High

To Counselors and Students,

Please find attached several applications for the Midland Scottish Rite Association Foundation Scholarship for 2019. We are seeking students to award one college scholarship to begin with the ~~2019/2020~~ 2020 academic years.

Each scholarship consists of eight payments of \$1,000 per semester over a four-year college program, for a total potential of \$8,000, with continuation being based on strong attendance in a sound curriculum, satisfactory grades as evidenced by transcripts, and continued community service.

We do not limit the maximum number of applications to be considered (you may make copies of the applications), however the Directors of the Foundation would like 5, 6 or more to be submitted from each school for consideration. Applicants will be evaluated on the basis of academic excellence, service to their community, and economic need.

The Scottish Rite is an Appendant organization of the Masonic Fraternity, whose origins date to ancient times. The principal tenets of our fraternal order are service to others and continual self-improvement through learning and knowledge. Masonic organizations have long supported, chartered, and funded educational programs in communities all over the world.

This scholarship is funded by a permanent endowment raised over many years through donations from people who have contributed with the idea that their gifts would provide a perpetual service to the further development of young people in this community.

If you have any questions, please email me at paul@summersgill.com or Phone 432-528-7468.

Sincerely, Paul R. Summersgill
