OTHER FALCON FINANCIAL PROGRAMS

The Falcon Promise

The Falcon Promise covers ALL tuition and mandatory fees. Other expenses such as books, room/board, supplies, and misc. expenses are not included. Examples of funds used to meet the Falcon Promise include, but are not limited to the following: federal & state grants, tuition waiver/exemptions, and institutional scholarships to cover the tuition and mandatory fees. The requirements to qualify for The Falcon Promise include:

- Texas residents with a combined family gross income of \$45,000 or less
- Pell Grant eligible according to Free Application for Federal Student Aid (FAFSA)
- Degree-seeking full-time first-time undergraduate (freshman, transfer, or continuing) students
- Must take a minimum of 12 credit hours, up to 15 hours each term (fall/spring)
- 2.00 GPA and completed 75% of the hours attempted during each regular term

For information on additional requirements and how to apply: Call the Financial Aid Office at 432-552-2620 Deadline: Admitted to UTPB and Complete FAFSA by July 15

The \$10,000 Bachelor of Science Degree/ Texas Science Scholars Program (TSSP)

The TSSP offers students who are seeking a Bachelor of Science degree an opportunity to pay only \$2,500 in tuition per year (Fall/Spring) for four years. Requirements to qualify for the TSSP include, but are not limited to:

- Texas residents majoring in Chemistry, Computer Science, Geology, Information System, or Mathematics
- Freshman students must be eligible to take Pre-Calculus (MATH 2412 or equivalent) and General Chemistry (CHEM 1311-1111)
- SAT/ACT and TAKS scores; Must be admitted unconditionally
- Transfer students must have completed Pre-Calculus (MATH 2412 or equivalent)

For TSSP information on additional requirements and how to apply: <http://www.utpb.edu/texassscencescholar/>

*Note: These scholarships are for full-time, first-time undergraduate degree seeking students taking face to face courses towards a degree. Students seeking a second-bachelor's degree or pursuing online only undergraduate degrees in 8-week formats such as Communications (Online Only), Humanities (Online Only), Industrial Technology (Online Only), Management (Online Only), Marketing (Online Only), Psychology (Online Only), Sociology (Online Only) or similar accelerated-format majors are not eligible to receive these scholarships. The Academic Scholarships are not refundable and are applied towards tuition, fees and on-campus housing expense (if any). The Texas Science Scholars Program or the BAAS \$5,000 Program is not stackable with other Academic or Activity/Athletic Scholarships using institutional funds. Activity Scholarships are defined as UTPB's Athletic Programs or Performance-based Activities such as Marching Band, Choir, Dance Team, STEP Team, and Ballet Folklorico. Donor Scholarships and Outside Scholarship offers can be stacked/included (if allowed by that particular scholarship).
